No matter where you live, you can enjoy an American traditional outdoor picnic with one of our handsome long-lasting Redwood picnic tables. Perhaps you'll fall in love with the dense, fine grain, and exquisite color of our table. You may even notice the unforgettable soft smooth touch of our table's unusual surface quality. You'll certainly notice our tables are designed with 52% more wood than other alternative brands. You have several styles to choose from.

- Each table is custom built to seat two to fourteen to dine comfortably.
- Built to last with solid California Redwood
- Sealed finished to withstand harsh weather and decay, maintaining its natural beauty year after year
- Constructed with non-corrosive rust-resistant hardware
- Simple assembly required

And, if you don't see a size or design you'd like, don't be bashful—[email us](#) and we'll personally craft it for you.

Note: Extra long tables, twelve feet and longer, are built with 3 sets of legs to be balanced and sturdy.

Rectangular Forever Picnic Tables

Heritage Picnic Tables

Three cheers for family picnics!

Whip up an evening barbecue while the radiant sun urges you to remain outdoors. You are perfectly set to feast outside with this family-style **Forever Picnic Table**. This is a welcome touch to any yard to comfortably seat and serve your family and guests.

- Accommodate your large platters or bowls, select tabletops from 30 to 60 inches wide.
- For flexible seating arrangements choose benches attached or detached (same cost) or you can order the table only or with chairs.
- Tailor to your taste—select squared or rounded corners, umbrella holes, and finish options.

And, if there is a special detail you don't see that you'd

Start that tradition, keeping them coming back time and time again

Now kick off your summer picnic with your favorite mouth-watering dessert, enticing your guests to come back for years because you'll have plenty of room to seat everyone with this **Heritage Picnic Table**. Perfect for large families, public community grounds, or restaurants. This line identically resembles Forever Picnic table sets with one exception—board width.

- Each table and bench strongly constructed with 12-inch wide boards
- Made only with Lifetime Old-Growth Redwood
- Rare furniture vertical grain lumber clear or nearly knot free

like — just [let us know](#).
